## **International Youth Tournament in course of the Ruhr Games 2019, 21<sup>st</sup> and 22<sup>nd</sup> of June in Duisburg**

The Regional Basketball Association (Westdeutscher Basketball-Verband) is planning a youth tournament in collaboration with the local clubs Basket Duisburg, BG Duisburg-West, TV Jahn Königshardt and Metropol Baskets. The Youth Tournament will take place in course of the Ruhr Games. We gladly want to invite your team to participate.

The tournament is played in four age groups and in the age groups of the new season 2019/2020. The tournament can be seen as a preparation tournament for the new season.

The tournament is one of the highlights of the Ruhr Games 2019, which is a large sports and cultural festival of the Ruhr Metropolis (<http://www.ruhrgames.de/en/home/>). Young people from all over Europe meet together within sports, music and culture. We would like to enrich the festival and its European atmosphere with basketball teams from Europe by inviting especially our neighboring countries.

All international participants can apply for a subvention of 100€ per person or participate in the international Youth Camp organised by the Sport Youth NRW.
