

SERBIAN ASSOCIATION OF BASKETBALL COACHES

BCB 2019 Basketball Clinic Belgrade 2019 June 29th-30th, 2019

We are proud to invite you to the 18th edition of Basketball Clinic Belgrade (BCB 2019) that will take place at Serbian capital – city of Belgrade from 29th to 30th of June 2019.

We want to emphasize that in the past 17 years we had over 20.000 coaches from all around the World listening to the lectures from almost 70 most prominent worldwide famous coaches. We are giving our best to have at each clinic one of the most prominent European coaches, one of the most influential US coaches, and since Serbia as a country of basketball is hosting our Clinic – one of the best Serbian coaches is our lecturer every time. Besides this, we are trying to cover all the coaching aspects – from technical elements, through tactical ideas to psychophysical preparation of players and teams, so thereof lectures on all of these topics are present at each edition of the Clinic.

Just to have the idea who were the lecturers at our Clinic we are giving you some names: from USA - **Gregg Popovic** (San Antonio Spurs, NBA), **Don Nelson** (Dallas Mavericks, NBA), **Mike D'Antoni** (Houston Rockets, NBA), **Roy Williams** (North Carolina, NCAA), European coaches – **Ettore Messina** (CSKA Moscow, San Antonio Spurs), **Sergio Scariolo** (Spain national team), **Dimitris Itoudis** (CSKA Moscow), **Aito Reneses** (ALBA Berlin), best Serbian coaches: **Zeljko Obradovic** (Fenerbahce Ulker Istanbul), **Dusan Ivkovic**, **Svetislav Pesic** (FC Barcelona), **Bozidar Maljkovic**, **Igor Kokoskov** (Phoenix Suns, NBA) and many more.

This year Eurobasket 2019 for women will take place in Belgrade at the same time when BCB 2019 will be held, so Belgrade will definitely be the basketball capital of Europe at that time so everyone interested to participate at our Clinic will be able to both have chance to gain theoretical knowledge and watch basketball games at the same time. All the lectures for non-Serbian coaches will simultaneously be translated into English, and all the participant will be getting a “coaching package”.

More information about the BCB 2019 you can get through our website at the following address: www.ukts.rs, where anyone who is interested in participation can fill the online participation form (application for participation).
